Correction: Health Research Policy and Systems (2024) 22: 34

<https://doi.org/10.1186/s12961-024-01121-x>

Following publication of the original article it was reported that there was a typographical error due to a typesetting mistake [1]. In several instances throughout the article the phrase “Thiitu Tharrmay Aboriginal and

Torres Strait Islander Reference Group members rather than Thiitu Tharrmay Aboriginal Reference Group members” was mistakenly inserted.

The original article has been updated to correct these instances to “Thiitu Tharrmay Aboriginal and Torres Strait Islander Reference Group members.”

Published online: 26 April 2024

[†]Uday Narayan Yadav and Rosemary Wyber have contributed equally to this work.
